【10】 次の英文を読んで、各問いに答えなさい。

My name is Yuuki. I go to junior high school. I am interested in foreign countries. I have a dream. Someday I want to go to foreign countries to work, so I study English very hard every day.

One day I went to the city library to find books about foreign countries. When I was looking for (あ) **them**, I saw my friend Haruto. He was reading a book about science. He and I are in the same class. He is a member in science club. At noon we went to the restaurant in the library to eat lunch. We talked to (い) (). He told me about his dream. "My father is a pilot. He comes back from foreign countries with a big smile and many presents for my mother and me. He always tells me about many interesting places and people in many countries. He is very cool. I want to be a pilot like my father." Haruto also said to me, "If you want to know about foreign countries, you can read my father's books. He has a lot of books about foreign countries. He also has a lot of pictures of foreign countries."

I visited Haruto last week. I met Haruto and his father. The story that his father told me was very interesting. (う) (he / showed / a lot of / me / pictures / foreign countries / of / .) After that, his father lent me some books about foreign countries. I was very happy. I know my dream may be hard for me. But I will study English harder and go to college to study English. I will never forget the day.
